

Volunteer Opportunities at BVBIA Georgia-South

Parent Advisory Committee

We believe a **Parent Advisory Committee (PAC)** can be an excellent way to strengthen communication, build trust, and gather constructive feedback between the club and its families. The committee should serve in an **advisory capacity**, helping the club understand the parent experience while supporting the club's mission, values, and long-term player development philosophy.

Purpose

The Parent Advisory Committee serves as a liaison between club families and club leadership by providing constructive feedback, supporting club initiatives, and promoting a positive, player-centered environment. The committee does not make operational or technical decisions but offers perspectives that help improve the overall club experience.

If you are interested in being part of this committee please email Aly.joslin@bvb-ia-georgia.com - put "Parent Advisory Committee" in the subject line. Please include your players age group, your location and contact number. Deadline - July 24th 2026

Tournament Development Committee

Purpose

The Tournament Development Committee is responsible for planning, organizing, and growing BVBIA Georgia South's annual hosted tournament. The committee works to create a professionally organized event that enhances the club's reputation, generates revenue, supports player development, and provides an outstanding experience for players, coaches, referees, and families.

Looking to have our first Tournament in 2027/2028 Season.

Please email your interest to Aly.joslin@bvb-ia-georgia.com. Deadline August 7th 2026.
