AROUND THE CLUB

6 GAMES / 3 TEAMS IN ACTION / ONE CLUB

MINI BEES CORNER

Our Mini Bees had a blast playing in the rain! A few U8 players joined in the fun, and one Mini Bee even headed over to participate in the U8 training session. It was a great opportunity to learn, connect, and play together!

U8 COED

Two games brought different challenges against younger and older opponents. Coaches adjusted objectives as players showed resilience and a willingness to compete.
Highlight: Confidence trying individual skills.

U10 BOYS

Four of our players stepped up to support two of our other teams this past weekend! We love seeing our players take on new challenges and help their club teammates.

Our U13 Boys showing appreciation for the sideline support after a hard-fought match. Together in black and yellow!

U12 GIRLS

Two games against Opelika Crush, one girls team and one boys team, showed growing comfort with dribbling. Positioning and supporting teammates remain areas for growth.
Highlight: Confidence on the ball.

U13 BOYS

A 3–2 win and a 3–4 loss featured strong periods of spacing, communication, teamwork and purposeful passing. Maintaining these habits across the full match is the next step.
Highlight: Teamwork and purposeful passing.

ONE CLUB. ONE BVB.

Two players from U10 Boys team supported U8 Coed, and two U12 Girls supported BVBIA Georgia - Peachtree's team Sunday. Thank you for stepping up!

CLUB SPOTLIGHT

From four U10 Boys helping two other teams to our U8s joining the Mini Bees for some rainy-day fun, our players showed what being part of BVB is all about. We love seeing our Bees connect, encourage one another, and grow together!

DRIBBLING / STOPPING THE BALL / LEARNING THROUGH PLAY

Fun games will help our youngest Bees practice moving with the ball, stopping it on cue, and changing direction while building confidence.

Practice simple moves and taking opponents on 1v1, then apply those skills in games.

Players will work on controlling the ball, looking around to recognize their options, and moving into open space to support teammates.

U12 GIRLS

DRIBBLING / POSITIONING / SUPPORT

Build comfort on the ball and improve positioning through a few clear attacking and defending actions.

U13 BOYS

PASSING / DRIBBLING / DRIVING / SCANNING

Recognize when to pass, dribble or drive into space. Look around before receiving to spot pressure, teammates and opportunities.

COACH'S CORNER
